Zip, Burp, and Hula

Contents

- Chameleon
- The Problem
- Bad manners
- Lavender Flowers
- The Hula

Chameleon

Chameleon peeped out of his eggshell. He looked around and saw nothing but empty shells all around him. He didn't know where he was or what to do. He looked up to heaven knowing that God was there.

"Would God help me?"

Chameleon wondered. He didn't know so he lay down on the cool ground and started to cry.
