### **Online Bookstore Offers the Best Fiction and Non-Fiction Books**

Margate, FL, August 2006. Do you love to read a good sci-fi book? Are you looking for information on how to start your own business? If so, it is time to focus your sights on Virtual Word Publishing's Online Bookstore. When browsing through the state-of-the-art site, [www.virtualwordpublishing.com](http://www.virtualwordpublishing.com), you'll find a variety of categories to suit your every need. From Science Fiction novels, Cookbooks, Christian and Inspirational reports, to Business journals in Marketing, Word Processing, Virtual Assistance, Work at Home-Moms and E-books.

Our fiction selection features the highly acclaimed *Sledgehammer*, a gripping medical fiction thriller. The piece takes place in a Los Angeles emergency room where terrorists use smallpox as a biological agent. The antagonists plan to release the deadly poison into several sports arenas, airports and shopping malls to maximize its lethal effects. The chilling tale of suspense has received numerous five star reviews and begs to ask the question, "What if?" Its captivating plot is topped with realistic characters who readers can easily relate to. *Sledgehammer* will have you eagerly turning every page.

*Words From Home* gives readers the steps to independently start, run and profit from a home-based word processing business or secretarial service. Successful ideas include typing, medical and legal transcription. People from all walks of life can also learn how to market their own small business, making fabulous money and remaining successful by utilizing the best online marketing books. Written by industry experts, the secrets to businesses on the web are a necessity for all of today's entrepreneurs.

The current Book of the Month is *Virtual Assistant the Series, Become a Highly Successful Sought After VA*. The work is a complete reference guide that leading professionals on their own journey to running a successful virtual assistant business. The site also has the newly released workbook that goes along with the Series. Virtual Assistants are highly skilled professionals who work as independent contractors to provide publicity, administrative support and other specialized services to businesses, entrepreneurs, executives and sales professionals of all backgrounds. *Virtual Assistant the Series* is the Bible of the entire VA Industry and has recently been named "Book of the Week" by Frederick's Business Start Page.

Virtual Word Publishing's Christian and Inspirational Books provide readers with the motivation needed to face everyday struggles, either in the office or at home after a natural disaster. The delightful CD, *Bon Appetit*, is a 2004 Grammy Award winner for best musical album for children. And for you moms who love to cook, delicious recipes from working moms throughout the country can be found in the BizyMoms Cookbook.

All of this exciting literature and more can be found there.
